

# DIAGNOSTIC ADVANTAGES WITH PELVIC FLOOR ULTRASOUND

We are pleased to invite surgeons and physiotherapists interested in pelvic floor disorders from all over the world to our webinar: Diagnostic Advantages with Pelvic Floor Ultrasound. Participants will receive peer-to-peer insights about the clinical benefits of using pelvic floor ultrasound, and the webinar will include the opportunity to discuss real case examples and ask questions in live Q&A sessions. Register today!

**Date/Time:**  December 16, 2020. 8:00 am – 10:00 am (CET)  
 December 16, 2020. 7:00 pm – 9:00 pm (CET)

**Agenda:** **Diagnostic Advantages with Pelvic Floor Ultrasound**
